Genisa

JANESVILLE,
WISCONSIN
EST. 2021

Our menu is specifically designed to be shared amongst friends and family. That's why at Genisa Wine Bar we encourage you to order the Italian way and order as a group, then share your food as it comes out. Food will come to your table when it's ready, so enjoy it while it's hot!

Our 12" Neo-Neapolitan pizza dough takes three days to prepare and is made with a living sourdough starter. It's then stretched by hand to order and baked in our beautiful, (but small!) Red Italian brick oven. On a busy night, the pizzas may take a little longer than usual but don't mind the wait, or the flavorful, lightly charred spots known as "leopard spots" typical of a brick oven. Just don't forget to order some appetizers, salads, and pasta to hold you over while you wait for the best pizza around!

Sit back, relax, and enjoy your visit! Salute!
